

# Participant list

ISSD Africa Conference, Kigali, October 17-19, 2022

This list contains the names and organisational affiliations of confirmed participants for the ISSD Africa conference.

## Privacy

Given the increasing attention to privacy, we have not included email addresses. Should you wish to share your email or other contact details, we encourage you to do so via the interactive participant map. [You can find this here](#)

## Accuracy

The organisers have strived to ensure the accuracy of names and affiliations, but given the many sources of participant information, as well as the multiple affiliations of numerous invitees, we may have made mistaken affiliations. Should you wish to change your name or affiliation, please contact [james.mulkerrens@wur.nl](mailto:james.mulkerrens@wur.nl), so that this can be rectified in the participant list which will accompany the conference report.
